MOTHERS' DAY TROPHY LIST

<u>Class</u>	<u>Trophy Name</u>	<u>Trophy Class Description</u>
1 AFJLOS	Bob Bovee Trophy	Best miniature or dwarf species
1	Dr. S. Berthelsdorf Trophy	Best species, not eligible for another trophy in Class 1
1Y, 23	Red's Rhodies Trophy	Best truss Vireya hybrid or species
10	Betty Spady Memorial Trophy	Best fortunei hybrid other than Loderi or Naomi clones
11A	Theo. Van Veen Sr. Memorial Trophy	Best truss Griersonianum hybrid
22	Stewart Trophy	Best truss Yak hybrid
30 & 31 JKL	Brotherton Trophy	Best White with Blotch, Bi-Color or Blend Hybrid not eligible for another trophy
35, 1Z	Christensen Family Trophy	Best rhododendron grown with protection. Not eligible for the President's trophies
41,42	Joe W. Jones Memorial Trophy	Best truss never before shown at a Mother's Day show
45	Collier Nursery Trophy	Best rhododendron entered by a novice
47	Robert L. Furniss Memorial Bonsai Trophy	Best bonsai using genus rhododendron
48	Fred Meyer Trophy	Best Evergreen Azalea not eligible for another trophy
48	The Egan Trophy	Best Deciduous Azalea not eligible for another trophy
48C	Henny & Wennekamp Trophy	Best Deciduous Azalea species excluding North American natives
49	Rae Berry Memorial Trophy	Best Deciduous Eastern American native azalea (including hybrids)
50	Elsie Bailey Memorial Trophy	Best occidentale collected in wild or progeny
*	Cecil & Molly Smith Trophy	Best white hybrid not eligible for another trophy
*	Ralph & Faith Christensen Memorial Trophy	Best purple hybrid not eligible for another trophy
*	Flora Lan Nursery Trophy	Best Orange, Salmon, or Apricot hybrid not eligible for another trophy
*	Earl & Frances Hopkins Memorial Trophy	Best Red hybrid not eligible for another trophy
*	Portland Nursery Trophy	Best Yellow hybrid not eligible for another trophy
*	John & Loretta Welsh Trophy	Best Pink hybrid not eligible for another trophy
*	Van Veen Nursery Trophy	Best Blue hybrid not eligible for another trophy
*	Portland Chapter Trophy	Highest number of total points
*	President's Hybrid Trophy	Best hybrid in show
*	President's Species Trophy	Best Species in Show

SHOW RULES

Please read carefully.

A. DEFINITIONS

1. *Truss* – A single rachis, *i.e.*, all flowers coming from one bud.
2. *Ball Truss* – Multiple buds emerging from a single stem. Acceptable as a truss in alpine/dwarf groups only.
3. *Spray* – Multistems emerging from a single stem. May consist of multiple ball trusses. Maximum length is measured from the top of the container. Maximum width shall be no greater than length.
4. *Parentage* – The first generation (F1) or 50 percent.
5. *Miniature or Dwarf Species* – Refers to Class 1, Groups A, F, J, L, O, S.

B. EXHIBITORS AND ENTRIES

1. Show Schedules and Entry Cards will be available at the April meeting of the Portland Chapter, as well as at the show site. The Show Schedule includes Trophy List, Show Rules, Classification Categories, and Classification Key.
2. Exhibits will be accepted from members or non-members, hobbyists or commercial growers.
3. Exhibitors may bring entries Friday evening, 6 p.m. to 8:30 p.m. and Saturday, 7 a.m. to 9:00 a.m. No entries will be accepted after 9:00 a.m., Saturday. Judging will begin at 9:30 a.m. Exhibitors are encouraged to have their entries at the show site Friday evening.
4. Entries must have been grown in the exhibitor's garden for at least six months prior to the show.
5. The references used to determine classes for species and parentage of hybrids are the *RHS Handbook* (1980) and the latest edition of *Rhododendron Hybrids* by Salley and Greer.
6. Any one exhibitor may enter only one truss or spray of a single clone in a class. Duplicate entries will be disqualified. An

exhibitor may enter any number of clones in the same class or group (example, one spray of each different form of *R. augustinii* may be entered in the same Class or Group). Class 36 is limited to one group per exhibitor.

7. Specimens exhibited must have been grown and wintered outdoors. Entries grown in an interior space prior to the show will be allowed in Class 1 (D, I, P, Y and Z), and Classes 2, 23 and 35 only.
8. Couples are considered one exhibitor.

C. PREPARATION AND STAGING OF ENTRIES

1. All entries must have a completed entry card. Rubber stamps and small envelope stickers may be used for name and address on the entry forms.
2. Except where otherwise noted, each entry must be deposited in a bottle provided at the show site. Exhibitors may furnish bloom preservation for blooms if desired. While cleansing foliage is encouraged, only water may be used for this purpose. The entry and its entry-card shall be presented to the Classification Committee at the show site for placement in the proper class or group. Only the stewards of the Classification Committee will place the entries for the show. Entries are not to be staged by the exhibitor.
3. The Classification Committee reserves the right to subdivide any class or section if three or more entries are represented. They also may add a new class or section if they find it necessary.
4. Entries listed in Classes 32, 33, and 37 must be entered in these classes only.
5. Entries in Classes 41, 42, 43, and 44 may be eligible for a national award. To be considered, the entrant must contact the Awards Committee of the Portland Chapter prior to the show.
6. The Classification Committee may reassign or disqualify exhibits that infringe on any of the foregoing rules, and their decision is

final.

7. No one except the Classification and Judging Committees shall have access to the show-area during staging and judging.
8. The Chapter will take every care for the protection of all flowers, plants and containers, but it cannot be held responsible for any loss or damage. Exhibitors who wish to reclaim entries must do so immediately after closing of the show on Sunday.
9. Unusual blooms, trusses or plants are welcome for display only.
10. Special exhibits by individuals, groups, or commercial interests are encouraged, but prior arrangement for space is necessary.

D. JUDGING

1. Entries will be judged in their group or class as set out in the attached schedule of classes and in accordance with the following guidelines.
 - Form typical of variety.....20%
 - Size according to variety.....25%
 - Peak condition and grooming, with regard to color, foliage, and substance55%

Definition of Guideline Terms

Size according to variety: Refers to the diameter (measurement across) of the individual corolla and number of flowers per truss.

Condition: All blooms should be as near peak condition as possible to earn a blue ribbon.

Color: The color should be true to variety and representative of the group in which it is classified.

Foliage: All leaves should be well-shaped, or good color and size, and without blemishes.

Substance: Refers to corollas only and means they should be firm in quality for the variety.

Form: The truss should be typical of its variety.

2. Each entry will be judged against all other entries in its group or class, by a team of judges who will award First, Second, or Third Place ribbons. Judges are encouraged to award only one blue ribbon in each section. Each entry must meet the approval of the judges, and any place may be withheld. An Honorable Mention Award may be given, when the judges feel it is appropriate.

Trophies are for the Blue ribbon entries only. Other than the “Best Hybrid” or “Best Species” in the show, no more than one trophy will be awarded per truss or spray.

“New American Hybrid” entries compete only against other exhibits in their class, not against their parents or other flowers not present.

Decisions of the judges are final.

3. Points in the show will be as follows:
 - 5 pointsFirst Place
 - 3 points Second Place
 - 1 point Third Place
4. Ribbons may be presented at the banquet or picked up by the exhibitor after the close of the show. All remaining ribbons will be mailed to the exhibitor. Trophy awards must be claimed at the close of the show.

PORTLAND CHAPTER, ARS

SCHEDULE OF CLASSES

RHODODENDRON SPECIES

CLASS 1

- Group A. Anthopogon series. Truss or spray under 8"
- Group B. Arboreum series. (Arborea). Truss
- Group C. Barbatum series. (Barbata). Truss
- Group D. Boothii series. (Boothia). Truss or spray under 12" (may be grown with protection).
- Group E. Campanulatum series (Campanulata). Truss
- Group F. Campylogynum series. (Campylogyna). Truss or spray under 8"
- Group G. Carolinianum series (Caroliniana). Truss or spray under 12"
- Group H. Cinnabarinum series. (Cinnabarina). Truss or spray under 12"
- Group I. Edgeworthii series. (Edgeworthia). Truss or spray (may be grown with protection).
- Group J. Ferrugineum series. Truss or spray under 8"
- Group K. Fortunei series. (Fortunea). Truss
- Group L. Glaucophyllum series (Glauca). Truss or spray under 8"
- Group M. Heliolepis series. (Heliolepida). Truss or spray under 12"
- Group N. Irroratum series. (Irrorata). Truss
- Group O. Lapponicum series (Lapponica). Truss or spray under 10"
- Group P. Maddenii series. (Maddenia). Truss or spray under 12" (may be grown with protection).
- Group Q. Neriiflorum series. (Neriflora). Truss
- Group R. Ponticum series. (Pontica). Truss
 - 1. R. macrophyllum.
 - 2. R. yakushmanum.
 - 3. All other Ponticum series.
- Group S. Saluenense series. (Saluensia). Truss or spray under 8"
- Group T. Scabrifolium series. (Scabrifolia). Truss or spray under 12"
- Group U. Taliense series. (Taliensia). Truss
- Group V. Thomsonii series. (Thomsonia). Truss
 - 1. souliei and campylocarpum
 - 2. All other thomsonii
- Group W. Trichocladum series. (Trichoclada). Truss or spray under 12"
- Group X. Triflorum. (Triflora). Spray under 18".
 - 1. R. augustinii.
 - 2. All other Triflorum series.
- Group Y. Vireya species. Truss. Entire plant may be displayed with the entered truss marked (may be grown with protection).
 - 1. Small flowered (under 1½")
 - 2. Large flowered
- Group Z. Species rhododendron truss or spray under 12" grown with artificial protection.
- Group AA. Open. Truss or spray of any series not listed above.
- Group BB. Miniatures. Container of cut trusses of at least four species, each labeled.
- Group CC. Three different species in any one series. Truss or spray, labeled.
- Group DD. Best example of a leaf whorl from a single terminal bud from Grande or Falconeri series.

RHODODENDRON HYBRIDS

- Class 2. Truss or spray of any Edgeworthii, Boothii, Maddenii series hybrid (may be grown with protection)
- Class 3. Truss of any Arboreum hybrid
- Class 4. Truss of any Campylocarpum hybrid
- Class 5. Truss or spray of any Cinnabarinum hybrid
 - A. Truss
 - B. Spray under 18”
- Class 6. Truss of any Decorum hybrid
- Class 7. Truss of any Dichroanthum hybrid
- Class 8. Truss of any Discolor hybrid
- Class 9. Truss of any Forrestii hybrid
- Class 10. Truss of any Fortunei series hybrid other than original Loderi or Naomi clones
- Class 11. Truss or spray of any Griersonianum hybrid
 - A. Truss
 - B. Spray under 12”
- Class 12. Truss of any Griffithianum hybrid other than original Loderi varieties.
- Class 13. Truss of any Irroratum series hybrid
- Class 14. Truss of any Neriiflorum series hybrid
- Class 15. Truss of any Strigillosum hybrid
- Class 16. Truss or spray of any Triflorum hybrid
 - A. Truss
 - B. Spray under 18”
- Class 17. Truss of any Thomsonii series hybrid other than campylocarpum or williamsianum or wardii
- Class 18. Truss of any Wardii hybrid other than Crest
- Class 19. Truss or spray of any Williamsianum hybrid
 - A. Truss
 - B. Spray under 18”
- Class 20. Truss of any Ponticum series hybrid other than yakushmanum or ponticum
- Class 21. Truss of any Ponticum hybrid
- Class 22. Truss of any Yakushmanum hybrid
 - A. Named
 - B. Unnamed cross
- Class 23. Truss of any Vireya hybrid. Entire plant may be shown with truss to be judged marked by the exhibitor (may be grown with protection).
 - A. Small flowered (up to 1½”)
 - B. Large flowered
- Class 24. Truss of any original Naomi clones and original Loderi clones

- Class 25. Any hybrid between two species neither of which is listed in classification
- Class 26. Any hybrid between a species and a hybrid other than those provided for in classification.
- Class 27. Truss of any hybrid with an original Loderi as a parent
- Class 28. Truss of any hybrid with Crest as one parent
- Class 29. Truss of any hybrid with Fabia as one parent
- Class 30. Truss of a hybrid resulting from a cross of two or more hybrids, not qualified in another section.
- | | | |
|------------------|-------------------|----------------------|
| A. Red | E. Orange | J. Blends |
| B. Pink | F. White or Cream | K. White with Blotch |
| C. Yellow | G. Purple | L. Bi-color |
| D. Lavender/Blue | H. Apricot | |
- Class 31. Best truss of a hybrid of unknown parentage
- | | | |
|------------------|-------------------|----------------------|
| A. Red | E. Orange | J. Blends |
| B. Pink | F. White or Cream | K. White with Blotch |
| C. Yellow | G. Purple | L. Bi-color |
| D. Lavender/Blue | H. Apricot | |
- Class 32. Best truss of a Lem hybrid (See attached list)
- | |
|---|
| A. Walloper Group |
| B. Lem hybrids of known parentage other than Walloper Group |
| C. Lem's Cameo |
| D. Lem hybrids of unknown parentage |
- Class 33. Truss of any Rudolph Henny hybrid named by him or Leona Henny (see attached list)
- Class 34. Spray of any small-leaf hybrid rhododendron under 12"
- | |
|--------------|
| A. Lepidote |
| B. Elepidote |
- Class 35. Hybrid rhododendron truss or spray under 12" grown with artificial protection
- Class 36. A group of four American hybrids, named or unnamed, truss or spray. Although placed in four containers, the group is entered as a single exhibit. An exhibitor is limited to one entry in each group of this class. Judging is based on symmetry of form and size.
- | |
|-----------------|
| A. Rhododendron |
| B. Azalea |
- Class 37. Special Interest Classes. Popular named hybrids in this section are not exhibited elsewhere.
- | | |
|------------------------------------|------------------------|
| A. Cotton Candy | D. President Roosevelt |
| B. Crest | E. Sappho |
| C. The Hon. Jean Marie de Montague | |
- Class 38. Exhibit of a self-supported branch of any rhododendron, no size limitation.

Exhibitor shall provide the container.

- Class 39. Best truss or spray entered by a **minor**, 16 years of age or under, who has never won a blue ribbon in this category. Truss or spray selected by child.
- Class 40. Best truss or spray of a species or hybrid grown from seed obtained from the ARS Seed Exchange. Identification by seed lot, number, and year are required. A photo of the winning entry must be sent to the ARS Seed Exchange.
- A. Rhododendron
 - B. Azalea
- Class 41. Spray or truss of any **American hybrid rhododendron seedling** never before shown at a Portland Chapter Mother's Day Show. Parentage to be shown if known. Entries are not to be entered in another category.
- Class 42. Spray or truss of any **American hybrid rhododendron seedling** not eligible in Class 41. Parentage to be shown if known.
- Class 43. Spray or truss of any **American hybrid azalea seedling** with known parentage, never before shown at a Portland Chapter Mother's Day Show. Entries are not to be entered in another category.
- Class 44. Spray or truss of any American hardy outdoor (zone 7 or 8) **Northwest hybridized evergreen azalea**.
- Class 45. Best truss or spray entered by a **novice**. A novice is anyone who has not won a blue ribbon at an ARS rhododendron show.
- Class 46. Any registered rhododendron or azalea **hybridized by a Portland Chapter member**. The hybridizer must have been a member anytime from 1980 to present. Plants grown from the ARS Seed Exchange material are not eligible in this classification. Only plants listed for Class 46 in the Portland Chapter Rhododendron Classification Key (*see p. 11*) are eligible.
- A. Rhododendron
 - B. Deciduous Azalea
 - C. Evergreen Azalea
- Class 47. **Bonsai**. Best entry using a specimen of the genus rhododendron as the dominant feature. The rhododendron or azalea, species or hybrid must be in a traditional bonsai container and placed on a stand. The plant need not be in bloom. However, a correct label is necessary.
- A. Plant 7" or less from top of container to apex of the plant. No width restriction.
 - B. Plant over 7" from top of container to apex of plant. No width restriction.

AZALEAS

If terminal buds remain evergreen, the azalea is evergreen.

Class 48.

Group A. **Spray** of evergreen species, other than mucronatum; under 12”

Group B. **Spray** of mucronatum under 18”

(DECIDUOUS TYPES: Sprays under 24”)

Group C. **Spray** of deciduous species, excluding North American natives

Group D. **Spray** of Ghent-type hybrid

Group E. **Spray** of Rustica Flora Plena

Group F. **Spray** of Mollis hybrid

- | | |
|-----------------|----------------------|
| 1. Red or Flame | 4. Orange or Apricot |
| 2. Yellow | 5. White |
| 3. Pink | 6. Blend or Bi-color |

Group G. **Spray** of Exbury-type hybrid

- | | |
|-----------------|----------------------|
| 1. Red or Flame | 4. Orange or Apricot |
| 2. Yellow | 5. White |
| 3. Pink | 6. Blend or Bi-color |

Group H. **Truss** of a deciduous azalea
(Separated according to color if enough entries)

(EVERGREEN TYPES: Sprays under 24”)

Group J. **Spray** of evergreen hybrid azalea

- | | |
|----------|--------------------|
| 1. White | 4. Salmon or Peach |
| 2. Pink | 5. Blue/purple |
| 3. Red | 6. Bi-color |

Class 49. Best **spray** of a deciduous species azalea indigenous to the North American continent, east of the Rocky Mountains. Plant collected in the wild or vegetative propagation there from. Progeny of intro-specific crosses are acceptable. Under 24”.

Class 49H. Best **spray** of a hybrid of deciduous native Eastern American species azaleas

Class 50. Best **spray** of *R. occidentale* species under 24”. Plant collected in the wild or vegetative propagation there from. Progeny of intra-specific crosses are acceptable.

Class 50H. Best **spray** of an *R. occidentale* hybrid.

Class 51H. Azaleodendron. Truss or spray under 12”
